### Jenner & Block’s Antitrust and Competition Law Practice

Our seasoned [antitrust counselors](#) provide practical advice. We partner with our clients to help accomplish their goals while minimizing risk. We help clients navigate and defend their most complex transactions, bringing extensive experience representing clients before a host of US federal agencies, as well as national competition agencies in the European Union and United Kingdom. Our antitrust litigators have real trial experience: we have tried and won bet-the-company litigation. And we have guided clients through the most sensitive of internal investigations, sometimes in coordination with government regulators. Our team has represented clients in a broad cross section of industries, including healthcare, pharmaceuticals, advertising, food products, entertainment, software, electronics, and the financial sector — just to name a few. And we approach each matter with an understanding and appreciation for our clients’ businesses.
