

In *Law360*, Partner David Kroeger Examines Emerging AI Insurance Exclusions

Publications

February 5, 2026

Partner David Kroeger authored an article for *Law360* analyzing how insurers are introducing generative AI exclusions across commercial general liability, directors and officers, and professional liability policies in response to increasing AI-related losses. David recommends that risk managers stay vigilant for these exclusions in new or renewal policies, recognizing how their businesses use generative AI, and how to be prepared to push back on proposed exclusions.
