

In *Law360*, Trey Hanbury and Camillie Landrón Discuss Jenner's Space Practice

Publications

February 2026

Partners Trey Hanbury and Camillie Landrón, co-chairs of Jenner & Block's Space Practice, spoke with *Law360* about the launch of the multidisciplinary group, which brings together more than 20 lawyers across the firm to serve clients working in the global space economy. In the article, Trey and Camillie discuss the increasingly blurred line between government and commercial space work, the growing complexity of the regulatory landscape, and how the practice is well positioned to help clients navigate dual-use challenges across national security and commercial operations.

[Read More](#)

Trey represents terrestrial and satellite companies on regulatory, transactional, and policy matters across the communications industry, including spectrum and orbital resource optimization, merger approvals, and complex proceedings before the FCC, NTIA, NOAA, the White House, and Congress. Trey brings nearly 30 years of telecom industry experience, including service as Director of Government Affairs at Sprint and in policymaking roles at the FCC.

Camillie advises wireline, wireless, and satellite companies on matters at the intersection of law, innovation, regulation, and policy, helping clients secure billions of dollars in licenses and authorizations for advanced, next-generation products and services. Camillie also counsel's companies on highly technical and complex proceedings involving the satellite and space industries, including novel space safety and sustainability issues.
