

Meghan Greenfield Quoted in *Law360* on Federal Lawsuit Targeting California's Clean Car Regulations

Publications

March 23, 2026

Partner Meghan Greenfield was quoted in *Law360* on the Trump administration's lawsuit seeking to invalidate California's Advanced Clean Cars I regulations, which if successful, could intensify regulatory uncertainty for the U.S. auto industry.

Meghan, a former senior counsel at the EPA and former senior appellate counsel at DOJ's Environment and Natural Resources Division, noted that while the legal arguments aren't new, the broader impact is significant: "For industry and for the states, there has been a real destabilizing impact of the variety of actions taken as a whole. People are watching closely and there's no sign that it's really letting up at all."
