

# Partner John Storino to Speak at AI and Legal Ethics CLE Webinar

## Event

June 11, 2026 1:00pm - 2:30pm ET  
Speakers: John R. Storino

On June 11, Partner John Storino will speak at "AI and Legal Ethics: Judicial Scrutiny, Professional Judgment, and Career Impact," a CLE ethics webinar hosted by Perrin Conferences, scheduled for 1:00–2:30 PM ET.

The session will address the growing role of artificial intelligence in the legal profession, and the ethical obligations practitioners must consider as courts and bar authorities sharpen their scrutiny of AI use. Panelists will examine how judges are responding to AI-usage as well as the professional judgment standards lawyers must apply when incorporating AI tools in their practice.
