Jenner & Block's 2025 Annual Pro Bono Report — *The Heart of the Matter*

Publications

May 1, 2026

The 25th edition of *The Heart of the Matter* is published on May 1 to align with Law Day, established in 1958 by US President Dwight D. Eisenhower to celebrate the rule of law and how law and the legal process protect liberty, justice, and freedom for all. This year's report features stories drawn from Jenner & Block's pro bono work in 2025, and underscores the firm's commitment to impactful, client-centered advocacy.

What's inside:

- **New stories** spanning five categories: asylum and immigration; civil rights and social impact; community support; international human rights; and prisoner rights and criminal justice.
- **Expanded content** with a new section on international human rights.

- **Featured voices** from the people behind the work.
