

# Partner Howard Suskin Moderates CBA Panel on AI-Driven Due Diligence

## Event

May 11, 2026

Speakers: Howard S. Suskin

Partner Howard Suskin moderated a panel on May 11, 2026 on the topic of AI-driven due diligence in transactional practices at the Chicago Bar Association's "AI 2035: The Legal Profession and the Judiciary in the Age of Artificial Intelligence" symposium. The session examined how AI accelerates due diligence while raising questions about accuracy, reliability, and ethical oversight.

Howard's practice focuses on complex commercial disputes, class actions, and securities litigation.
