

In *Law360*, Partner Samuel Feder Analyzes the Supreme Court's Ruling in *FCC v. AT&T*

Publications

June 16, 2026
By: Sam Feder

Partner Sam Feder authored an article in *Law360* examining the Supreme Court's June 4 decision in *Federal Communications Commission v. AT&T Inc.*, which rejected AT&T's and Verizon's argument that the FCC's forfeiture process violates the Seventh Amendment right to a jury trial.

[Read More](#)

Sam argues that three widely circulated reactions to the ruling — about what it means legally, what the FCC conceded, and how regulated parties should respond — all miss the mark.

A former General Counsel of the FCC, Sam co-chairs Jenner & Block's Communications, Internet, and Technology Practice and Government Strategy Department, and regularly advises cable, telecom, media, and technology companies on high-stakes regulatory and enforcement matters.
