July 21, 2026

On July 21, Jenner & Block's Washington, DC office hosted an evening reception bringing together active-duty and veteran attorneys, their attorney spouses and partners, and in-house counsel for an evening of conversation and connection. The strong attendance reflected the significant interest across the DC legal community in supporting military-to-private-sector career transitions.

Associate Steven Arango offered remarks at the reception, drawing on his own experience as an active-duty Judge Advocate in the US Marine Corps prior to transitioning into private practice.
