

Jenner & Block Hosts ZETA for Climate Week NYC 2026 Conversation on Zero-Emission Transportation

Event

September 22, 2026

Speakers: Meghan Greenfield

On September 22, Jenner & Block welcomed the Zero Emission Transportation Association (ZETA) to its New York office for a Climate Week NYC 2026 program, bringing together industry leaders, policymakers, and counsel working across the electric vehicle and clean transportation sector.

[Read More](#)

Partner Meghan Greenfield hosted the conversation, which explored the policy and market forces shaping zero-emission transportation — including litigation and tort exposure across the sector, the regulatory landscape and recent congressional action, and the pace of change facing companies as they plan ahead.
