

Partner Amanda Shafer Berman Quoted in Bloomberg Law on Senate Permitting Overhaul Bill

Publications

October 2026

Partner Amanda Shafer Berman was quoted in an October 5 *Bloomberg Law* article, "Permitting Deal Gives Projects Defense Against Litigation Delays," on the Senate's new permitting overhaul package and its expected impact on litigation over federal permitting reversals.

[Read More](#)

The bill is designed to give developers greater certainty by limiting the federal government's ability to revoke or alter permits already issued for energy and infrastructure projects, a response to recent cancellations of finalized renewable energy permits that have prompted more than a dozen lawsuits.

Amanda is a leading advisor and litigator sought after by companies and trade associations navigating federal regulatory processes, defending major infrastructure projects, and seeking to obtain or defend permits or other agency actions critical to their goals.
