Jenner & Block's London Office Hosts "Returning Together, Returning with Confidence" Session for Lawyers Returning from Parental Leave

Event

November 9, 2026

In October, Jenner & Block's London office hosted "Returning Together, Returning with Confidence," a session for lawyers who have recently returned from, or are preparing to return from, parental leave.

Organized by Senior Associate Karam Jardaneh and facilitated by Anna Burgan of makeSpace, the session created space for open, candid conversation about the experience of returning to work. Attendees compared their expectations with the realities of re-entry and shared practical strategies for navigating the unexpected.
