## Overview

**Alex Langlinais represents wireless, satellite, internet, telecom, cable, and tech clients. Alex helps clients participate in rulemakings, obtain licenses and other relief from regulators, secure approval for transactions, implement compliance programs, and develop innovative offerings.**

Alex partners with his clients to shape their regulatory environments and manage risk so they can innovate, launch new products and services, and unlock new markets. Alex previously served as in-house counsel to a major online marketplace platform, where he advised leadership and cross-functional teams on product design, emerging technologies like AI and advanced air mobility, and the operation of multi-sided marketplaces.
