

Partner Carissa Coze Highlighted as a Top Dealmaker in Hollywood

Recognition

January 25, 2021

In its profile of Jenner & Block Partner Carissa Coze, *The Hollywood Reporter* notes that she represented Fox Corp. in its \$440 million takeover of ad-supported streamer Tubi TV, extending its digital reach. The pandemic presented distinct challenges on the deal, as it has on deals across all industries, that the team worked to overcome. “The lack of in-person negotiations has had a big effect on dealmaking,” Ms. Coze tells *THR*. “There often is a point or two in the deal at which it makes sense to have everyone in a room together to hash out issues. Even being in the same room with just the client has benefits that Zoom and other conferencing technology can’t replicate.”
