

Working to Provide Outreach Services on Chicago's West Side

Publications

April 20, 2021

Breakthrough is a non-profit organization that provides outreach services in underserved communities on Chicago's West Side, partnering with those affected by poverty to build connections, develop skills, and open doors of opportunity. As a board member and long-time supporter of the organization, Jenner & Block Partner Terry Truax will participate in a virtual fundraising event launching the All In Campaign – the first-ever public look at upcoming plans in Breakthrough's partnership with East Garfield Park. The event will take place April 22 at 7pm CT. To RSVP, please [click here](#).

As co-chair of the Campaign, Mr. Truax has been instrumental in leading Breakthrough during the planning and execution of the program, as well as raising awareness of the growing need of support in the East Garfield Park community.
