

“The Case for a Global Data Privacy Adequacy Standard,” The Privacy Advisor

Publications

April 27, 2021

In their article, Jenner & Block Partner David P. Saunders and Suzanne Reifman of General Dynamics explain that there is an “ever-expanding list of data privacy laws worldwide.” Companies with a global footprint must navigate a complex and inconsistent regulatory landscape. “A clear, practical, and global adequacy standard is needed to ensure consistent data protection across industries and encourage more consistent data privacy compliance,” the authors say.
