

Team Guides Special Committee of Galaxy Digital Holdings in the Company's Acquisition of BitGo

News

May 5, 2021

Galaxy Digital Holdings is a financial services and investment management innovator in the digital asset, cryptocurrency, and blockchain technology sectors. On May 5, the company announced that it has agreed to acquire BitGo, the leading independent digital assets infrastructure provider, for \$1.2 billion. The acquisition positions Galaxy Digital as a leading global full-service platform for institutions seeking access to the crypto economy.
