

“Leveraging Technology in Compliance & Legal: Artificial Intelligence, Data Analytics, Machine Learning and More,” SIFMA C&L Annual Seminar

Event

February 26, 2020

Jenner & Block Partner Charles D. Riely will share his insight on technology and compliance during a panel at the SIFMA C&L Annual Seminar. Topics for discussion will include harnessing artificial intelligence and machine learning for surveillance; leveraging natural language processing; navigating potential pitfalls; and regulators’ approach to technology and big data. His session will be on Tuesday, March 17, 2020, during the seminar to be held in Orlando, Florida. Mr. Riely is a partner in the Securities, Litigation and Enforcement Practice. As a lawyer at the SEC for more than a decade, he handled a number of significant matters, working extensively with criminal authorities in parallel investigations, and developing deep experience in all aspects of the federal securities laws.
