

“Working with Companies to Plan for Data Breach Incident Responses,” Lawline CLE Webinar

Event

March 4, 2020

On March 5, Jenner & Block Partner David P. Saunders will co-present a Lawline CLE webinar on data breaches. Titled “Working with Companies to Plan for Data Breach Incident Responses,” the course will examine how companies can prepare for a data incident, discuss some of the common pitfalls that companies experience during incident response, and provide outside counsel as well as in-house lawyers with strategies for working together to create strong incident response policies. Heidi Wachs, Vice President of Cyber Solutions, Aon Risk Solutions, and formerly of Jenner & Block, will join David in presenting the webinar. To learn more, please [click here](#). Mr. Saunders is a member of the firm’s Data Privacy and Cybersecurity Practice. He has significant experience in conducting risk assessments, developing privacy programs, drafting privacy policies, performing due diligence for corporate transactions, negotiating vendor agreements and working with clients through data incident response.
