

“Battle of the Economic Experts XV,” Jenner & Block

Event

October 13, 2020

Jenner & Block Partner Anna Meresidis moderated a panel of economic industry leaders at the firm’s 15th annual “Battle of Economic Experts” panel discussion. The group shared their perspectives on the economic outlook for 2021; post-election financial planning and investment strategies; pertinent issues related to the US and global economy; an analysis on upcoming M&A activity; and how the pandemic has affected (and will continue to affect) businesses around the world. Ms. Meresidis is an experienced corporate attorney and trusted advisor to companies managing complex finance transactions that support clients’ growth, innovation, and investment strategies.
