

“The Impact of COVID-19 and the Future of BigLaw Firms,” Northwestern Law and Technology Initiative

Event

October 20, 2020

On October 22, 2020, Partner Terri L. Mascherin will be a panelist for Northwestern University’s Law and Technology Initiative, a monthly series focusing on legal networking, as well as the laws and regulations that govern technologies in the legal landscape. The topic for this month’s event is “The Impact of COVID-19 and the Future of BigLaw Firms.” Panelists will discuss how law firms have responded to the pandemic and how the pandemic has presented new opportunities for innovation and technology adoption. The program will be from 12:00 pm – 1:30 pm CT. To learn more and register for the event, please [click here](#).
