

“The Rise of Special Purpose Acquisition Companies (SPACs),” Lex Mundi 2021 Cross-Border Transactions Global Client Seminar

Event

January 27, 2021

Partner Martin C. Glass serves as a moderator on this panel, which explores the increase in the use of SPACs to help companies go public. The recent proliferation of companies conducting SPAC offerings is so dramatic that The Wall Street Journal noted that 2020 was a “record year for new SPAC listings.” The panel is part of a packed two-hour agenda that also focuses on M&A trends, as well as best practices and pitfalls of doing transactions in the new uncertain economy.
