

Control Risks' Map Panel, 2021 RiskMap event

Event

February 3, 2021

On Wednesday, February 3, Jenner & Block Partner Andrew Weissmann will present as a panelist at Control Risks' 2021 RiskMap event. Facilitated by leading practitioners, the panel discussion will cover a broad range of risk disciplines from geopolitical risk, security, crisis readiness and response, integrity risks, and more. To learn more about the virtual program, please [click here](#). Mr. Weissmann is co-chair of the firm's Investigations, Compliance and Defense Practice, with a focus on counseling companies at the highest levels in both domestic and global investigations and litigation. He is a leading trial lawyer and investigator with deep experience in Foreign Corrupt Practices Act (FCPA) issues and compliance matters
