

“Industry Perspectives in Implementing the FCC’s New Requirements that Implement the TRACED Act,” FCBA

Event

February 23, 2021

Jenner & Block Partner Rebekah P. Goodheart moderated this CLE that provided an overview of the Federal Communications Commission’s efforts to implement the 2019 Telephone Robocall Abuse Criminal Enforcement and Deterrence Act (the TRACED Act). The FCC provided an overview of its expected initiatives and deadlines in implementing the Act. The CLE provided industry perspectives on efforts to implement the Act and newly established FCC and industry requirements.
