

# “Trade Secrets: Navigating the Wild, Wild West of Protection, Enforcement, and Damages,” Association of Corporate Counsel and Charles River Associates

## Event

February 23, 2021

Jenner & Block Partner Debbie L. Berman will moderate this CLE on March 4. Topics to be discussed include the pros and cons of selecting different venues; tactics for preventing, detecting, proving, or defending against liability claims; damages theories, related standards, and the burden of proof; and complementary tools to help effectively resolve disputes. Ms. Berman is co-chair of the firm’s Trade Secrets and Restrictive Covenants Practice. She assists clients with complex commercial matters such as broken deals or business relationships and has deep experience in trade secrets matters.
