

“ESG Regulation and Enforcement: How Governments are Inducing Change,” Program on Corporate Compliance and Enforcement, NYU Law

Event

March 25, 2021

On April 2, Jenner & Block Partner Andrew Weissmann will moderate a panel discussion about environmental, social, and governance (ESG) issues and how companies can achieve meaningful cultural change, as well as meet evolving regulatory and stakeholder expectations. Mr. Weissmann’s program begins at 10:00 am EDT. Participants must register by March 31 to attend. To learn more and register to attend, please [click here](#).
