

“Space Regulation – a West Coast Perspective,” FCBA Northern California Chapter and International Committee

Event

April 26, 2021

Jenner & Block Special Counsel Camillie Landrón will join this panel to discuss what happens when the Silicon Valley motto of “move fast and break things” meets domestic and international regulatory processes. She will share her insight about the challenges and opportunities facing a variety of companies as they navigate the complex space policy and regulatory landscape. Ms. Landrón is a member of the firm’s Communications, Internet and Technology Practice. She offers clients legal, policy, and strategic advice on matters affecting the communications, internet, technology and media industries. The panel will be held from 12 to 1:30 pm PT.
