

# MVP: Jenner & Block's Noah B. Bleicher, Law360

## Recognition

September 21, 2021

Partner Noah Bleicher was recognized among *Law360's* 2021 Government Contracts and Grants MVPs for his successful representation of various General Dynamics business units and a service-disabled veteran-owned small business, Medical Place Inc., in several complex bid protests matters.

In a feature article, Mr. Bleicher discussed how his experience as a former Government Accountability Office senior bid protest official helps him represent both large defense contractors and small businesses before the GAO. "The opportunity to engage with various parties, from the pro se protesters to some of the most senior counsel well known in the procurement community, really gave me the confidence I would need in private practice and allowed me to gain an understanding of what it takes to succeed in the protest world," he said.

Mr. Bleicher is a skilled government contracts practitioner with extensive bid protest litigation experience. He is a partner in the firm's Government Contracts and Grants Practice where he represents large and small government contractors in a wide array of complex government contracts issues.
