

“OFAC Ransomware Guidance Reflects Resolve to Fight Attacks,” Bloomberg Insights

Publications

September 30, 2021

Partners Rachel K. Alpert and Shoba Pillay and Associate Emily A. Merrifield examine recently updated guidance from the Office of Foreign Assets Control to companies on defending against ransomware attacks in this article published by *Bloomberg Insights*. OFAC’s guidance “identifies ‘mitigating factors,’ includes the first designation of a virtual currency platform, and it highlights risks faced by entities that facilitate ransomware payments and companies that may be considering making payments.”
