Publications

November 5, 2021

Jenner & Block Partner David M. Greenwald edited Lex Mundi's *Global Attorney-Client Privilege Guide*. This first-of-its-kind guide allows users to compare common and civil law attorney-client privilege/professional confidentiality laws in 105 jurisdictions around the world, including 31 US states, US federal common law, and four Canadian provinces. The Guide is the broadest resource available on these topics and enables in-house and outside counsel to identify key differences among jurisdictions, and to prepare side-by-side customized reports comparing specific jurisdictions of interest.
