

Jenner & Block Publishes Annual Report on Pro Bono Service

News

February 16, 2022

For more than 20 years, Jenner & Block has been proud to publish an annual report on pro bono service. *The Heart of the Matter* highlights the work we have done and the pro bono clients we have been privileged to serve in the past year. This report reaffirms that our pro bono work – whether it is advocating for those caught up in the criminal justice system, counseling nonprofits, or supporting those seeking a way out of high-risk areas – can change lives. This year, we also celebrate the dedicated lawyers from our commercial clients who partnered with us on our mission to help those in need.
