

Partner Shoba Pillay Highlighted as a Leader in Cybersecurity

Recognition

April 1, 2022

Global Data Review listed Jenner & Block Partner Shoba Pillay among its Women in Data 2022. Ms. Pillay discussed her career path, including her past role as an Assistant US Attorney and her new role as a co-chair of the firm’s Data Privacy and Cybersecurity Practice, in an interview with the publication. The biggest challenges in the field are the “scope and breadth of the risk that clients face,” she said. Asked for her advice to an aspiring data lawyer, Ms. Pillay said the practice changes so fast that aspiring professionals must be “proactive so they can assure clients that they are at the forefront” of the latest threats.
