

“Tribal Energy: Using Rights-of-Way for Tribal Economic and Energy Development,” Reservation Economic Summit 2021

Event

July 21, 2021

Jenner & Block Partner Suedeem G. Kelly served as a panelist for this discussion, moderated by Jenner & Block Partner Charles W. Galbraith. Ms. Kelly is co-chair of the firm’s Energy Practice, and Mr. Galbraith is co-chair of the Native American Law Practice. Ms. Kelly is a former FERC commissioner who represents clients in the electric and natural gas industries on business, regulatory, litigation, enforcement, and policy matters. Mr. Galbraith represents tribal governments, businesses and individuals navigating complex and interconnected legal, political, and policy challenges.
