

“How Do We Get It Right?” New Mexico State University Center for Public Utilities Advisory Council’s Current Issues 2021 Conference

Event

August 30, 2021

Jenner & Block Partner Suedeem G. Kelly spoke about the need, use, and approval of programs for new cutting-edge technologies and infrastructure modernization that are being enabled by regulatory changes and oversight. Ms. Kelly is co-chair of the firm’s Energy Practice. She is a former FERC commissioner who represents clients in the electric and natural gas industries on business, regulatory, litigation, enforcement, and policy matters.
