

“2021 Year in Review: California Telecommunications and Broadband Legislation,” Federal Communications Bar Association

Event

October 19, 2021

Jenner & Block Partner Zeb Zankel will moderate a CLE panel that will focus on recent developments in California’s telecommunications and broadband legislation. Panelists will discuss the impacts not only on California’s communications landscape, but likely on other states and the federal government as well. The program will be held on October 27, 2021, from 3:00 - 4:30 pm Eastern. Mr. Zankel is a member of the firm’s Communications, Internet, and Technology Practice. He helps companies build, access, operate and maintain communications networks and services through results-driven representation in regulatory, litigation, and transactional matters.
