

“Washington and Ottawa Insider Roundtable – Politics and Policy Drivers,” New England-Canada Business Council

Event

November 4, 2021

Jenner & Block Partner Suedeem G. Kelly will speak at this roundtable as part of the New England-Canada Business Council (NECBC) 29th Annual US-Canada Executive Energy Conference. The conference will be held in Boston, and Ms. Kelly’s panel will be from 3:55-5:00 pm Eastern. Ms. Kelly is a former commissioner with the Federal Energy Regulatory Commission. She represents clients in the electric and natural gas industries on business, regulatory, litigation, enforcement, and policy matters. To learn more and register, please [click here](#).
