

# “Use of Experts in Insurance Coverage Litigation: Overview, Recent Trends, and Practical Dos and Don’ts,” ABA 2021 Women in Litigation Joint CLE Conference

## Event

November 19, 2021

Jenner & Block Associate Huiyi Chen chaired and spoke on this panel, offering an overview of the use of experts in insurance coverage litigation and how it is different from the use of experts in litigation in general. She and other panelists also highlighted recent trends they have observed in case law and practice. Ms. Chen is a member of the firm’s Complex Commercial Litigation Practice and Insurance Recovery and Counseling Practice. She has worked on insurance coverage litigation, antitrust class action, shareholder litigation, and litigation and investigations in the financial services industry.
