

# “Cyber Resilience and Issues of the Grid,” Global Resilience Institute at Northeastern University

## Event

November 30, 2021

Jenner & Block Partner Suedeem G. Kelly will discuss cybersecurity and resilience issues of the grid. She will speak about her work serving as regulatory counsel for Protect Our Power, a voice for these issues even back when there was little to no attention to cybersecurity. The discussion will be held from 12 pm to 1 pm Eastern. Ms. Kelly is a former commissioner with the Federal Energy Regulatory Commission. She represents clients in the electric and natural gas industries on business, regulatory, litigation, enforcement, and policy matters. Please [click here](#) to learn more and register.
