

“Goldilocks’s Cryptocurrency Assets: What Coverage Is Just Right?” ABA Insurance Coverage Litigation Committee’s Annual CLE Seminar

Event

March 3, 2022

Jenner & Block Associate Catherine L. Doyle moderated a panel at the ABA Insurance Coverage Litigation Committee’s Annual CLE Seminar. The panel focused on the growth of cryptocurrency markets, which has led to developing insurance issues. Panelists discussed emerging risks associated with holding such assets and potential coverage options to manage the risks of theft or loss of custody.
