

# “How is the regulation of toxic chemicals in cosmetics emerging in US states?” *Chemical Watch*

## Publications

June 13, 2022

In an article for Chemical Watch, Partner Steven M. Siros and Associate Matthew G. Lawson discuss the regulation of toxic chemicals in cosmetics emerging in US states and take a look at current legislation at the state and federal levels. “State and federal efforts to regulate the presence of emerging contaminants in cosmetics and personal care products shows no sign of abating. At the same time, litigation relating to the alleged presence of these contaminants in cosmetics is on the rise,” they write.

Mr. Siros is chair of the Environmental Litigation Practice and co-chair of the Environmental Workplace Health and Safety Practice. His focus is primarily on environmental and toxic tort matters.

Mr. Lawson is an Associate in the Environmental Workplace Health and Safety Practice.
