Jenner & Block Partners Ann O’Leary and Alison I. Stein participated in the 2022 Concordia Annual Summit that brings “together heads of state, leaders of the private and NGO sectors, and new and diversified perspectives to explore tangible solutions to local and global challenges.”

Ms. O’Leary moderated the largest panel of the week titled “Decentralized Governance: Giving Power Away,” where panelists discussed the importance of having clear rules that balance online safety, freedom of expression, and global accountability. The panel was composed of nine speakers and included former Secretary of Homeland Security Jeh Johnson, Founder of the Digital Rights Foundation and Meta Oversight Board Member Nighat Dad, Director of Woodrow Wilson International Center for Scholars Ambassador Mark Green, Meta’s Vice President of Governance Brent Harris, President & CEO of the Center for the Study of the Presidency & Congress (CSPC) Glenn Nye, Digitalis CEO Dave King, Meta’s Vice President of Civil Rights and Deputy General Counsel Roy L. Austin, Jr, and European Member of Parliament from Germany Svenja Hahn.

The Quartz’s United Nations General Assembly (UNGA) 2022 newsletter highlighted Ms. O’Leary’s panel, calling her a “masterful moderator.”
