

Jenner & Block Co-Hosts Event About Future of Web3

News

September 27, 2022

Jenner & Block and Partners Alison I. Stein and Kayvan B. Sadeghi co-hosted an event with clients Meta, Goldfinch, and Kapor Capital at the firm's New York office for top global thinkers, builders, and investors to gather and participate in conversations about the future of Web3.

Ms. Stein is co-chair of the firm's Content, Media, and Entertainment Practice. Her work focuses on intellectual property counseling and litigation, including on matters involving online content moderation in the blockchain, crypto, and gaming space.

Mr. Sadeghi is a member of the firm's Securities Litigation and Enforcement Practice and leads the firm's blockchain and digital assets practice. As a prominent member of the blockchain community, Mr. Sadeghi represents leading blockchain projects, trading platforms, and founders in high-stakes litigation and investigations, and advises numerous clients on crypto and Fintech litigation, enforcement, and related legal issues.
