Post-*Chevron* Task Force

Transitions in Energy and
Climate Solutions

Overview

Daniel Robertson is experienced in environmental litigation, regulatory compliance, and counseling. He is knowledgeable about air, water, and waste regulations, including in the areas of permitting and regulatory relief petitions.

Before joining Jenner & Block, Daniel served in the Illinois Attorney General's Office as an Assistant Attorney General and a Supervising Attorney in the Office's Environmental Bureau. He also previously served as an Attorney Advisor at the Illinois Pollution Control Board, where he advised board members on federal and state regulations. While in law school, Daniel received the Bar and Gavel Society Award for outstanding service to his school and community and the Dean's Distinguished Service Award for his volunteer work.
