

"Suspension and Debarment: FY 2022 By The Numbers," Law360

Publications

October 5, 2022
By: David Robbins

In this *Law360* article, Partner David B. Robbins summarizes Fiscal Year 2022 suspension and debarment data from the System for Award Management. The piece, published annually since 2016, explains the trends of agencies most actively suspending and debarring government contractors.

Key takeaways from this year's article include:

- Overall suspensions and debarments increased by 20 actions year-over-year.
- Suspensions and debarments of individuals declined by 49.
- Twelve more firms—companies that have indicia of active participation in government contracting—were debarred in fiscal year 2022 as compared with 2021.
- The number of special entities—generally, corporate entities that do not have indicia of active participation in government contracting—increased by 58.
