April 3, 2023

Jenner & Block Partner Andrew H. Bart was named among *Billboard* magazine’s 2023 list of Top Music Lawyers for the eighth year in a row. The annual list recognizes lawyers who are “an essential resource for the music industry’s rising artists, songwriters and superstars alike.”

Andy’s profile highlights his victory on behalf of major record labels including Universal Music Group, Sony Music Entertainment, and Warner Music Group in a month-long trial where a federal jury determined that Grande Communications Networks LLC must pay more than \$46.7 million to the group.

As Andy said in the article, the trial resulted “in a finding of willful infringement and a verdict against an ISP that took a blind eye to massive infringements by its subscribers on its network.”
