

Session 1 – I’m Afraid I Can’t Do That: Current Issues in Generative AI

This CLE will cover the fast-developing world of generative AI, including an overview of recent technical developments, intellectual property issues, other legal issues, practical and ethical concerns, and government responses. It will cover topics such as what use cases are developing for generative AI; what works made with generative AI can and cannot be copyrighted; potential legal risks for creators and users of generative AI; and potential ethical risks for those who use generative AI to perform their work.

Date: Friday, May 12, 2023

Time: 10:00 am PDT, 12:00 pm CDT, 1:00 pm EDT, 6:00 pm BST

Length: 60 minutes

Presenters: Alison Stein, Adam Unikowsky, Allison Douglis
