

“The DOJ Civil Cyber Fraud Initiative, and Beyond: Considerations and Recommendations for In-House Counsel,” Federal Bar Association, Chicago Chapter

Event

April 19, 2023

Partner Shoba Pillay participated in a CLE that will offer an overview of the US Department of Justice’s Civil Cyber Fraud Initiative. She and other panelists suggested best practices for government contractors and non-government contractors as they navigate cybersecurity regulations that are subject to the False Claims Act. Shoba guided participants in understanding the cybersecurity regulatory framework and risks of non-compliance. Finally, she provided tips for managing boards of directors who are preparing for or responding to cybersecurity incidents. Shoba is a Co-Chair of the firm’s Data Privacy and Cybersecurity Practice, which provides holistic, proactive, and practical advice to clients in a landscape where regulatory regimes are intensifying.
