

“Crypto-Based Lending: Where Do We Go from Here?” Association of Commercial Finance Attorneys 2023 Continuing Legal Education Weekend

Event

May 20, 2023

Partners Shoba Pillay and Kayvan Sadeghiwill will present at the Association of Commercial Finance Attorneys’ 2023 Continuing Legal Education Weekend. Drawing on their experience with the crypto landscape, they will lead a panel titled “Crypto-Based Lending: Where Do We Go from Here?” Shoba was the court-appointed Examiner in the bankruptcy of crypto lender Celsius Network LLC and is a Co-Chair of the firm’s Data Privacy and Cybersecurity Practice , which provides holistic, proactive, and practical advice to clients in an evolving regulatory landscape. Kayvan co-led the Examiner’s digital asset investigation in the Celsius bankruptcy. He is a Co-Chair of the firm’s Fintech and Crypto Assets Practice, which represents leading global finance and technology companies in their most sensitive litigation and investigations.
