Jenner & Block Partner Andrew J. Thomas was recognized as a 2023 Top Intellectual Property Lawyer by the *Daily Journal*.

A.J.'s profile highlights his work representing film and television studios as well as other businesses in the entertainment industry in disputes involving their intellectual property rights.

"It's been an interesting practice. Sometimes we're plaintiffs preventing others from infringing the clients' intellectual property rights, and other times we're defending content-creators' rights to tell stories," A.J. told the publication.

A.J.'s profile also highlights the settlement and permanent injunction he obtained on behalf of Warner Bros. Entertainment, his representation of 20th Century Fox in a copyright lawsuit, and his current defense for NBCUniversal and its "Back to the Future" time machine merchandise in a trademark dispute.

"Once again, I find myself in the toy department of Jenner & Block," A.J. told the publication.
