

# “PFAS Shifting Legal Paradigms: Litigation, Regulations, and More,” 2023 Annual Waste Conference

## Event

May 24, 2023

Speakers: Steven Siros

Partner Steve Siros will speak on the panel “PFAS Shifting Legal Paradigms: Litigation, Regulations, and More” at the 2023 Air & Waste Management Association’s Annual Waste Conference on May 24. Steve will discuss the continually evolving regulatory landscape of PFAS, including state and federal efforts to regulate these contaminants under the Safe Drinking Water Act and CERCLA. A Co-Chair of the firm’s Environmental Practice, Steve advises on everything from regulatory noncompliance matters to property damage claims arising from exposure or release of hazardous substances, including emerging contaminants such as PFAS. The conference will be held at the Union League Club in Chicago. Learn more: [A&WMA Lake Michigan States Section - Meeting/Event Information](#).
